

Make sure your protection is up to date:
GET THE LATEST COVID-19 BOOSTER NOW.

The updated **COVID-19 boosters** protect against the latest variants — and you can take them with your annual flu shot.

Updated COVID-19 boosters are available for individuals 12 and older. Contact your health care provider or find vaccine locations at [MySpot.nc.gov](https://www.myspot.nc.gov) to stay up to date on your COVID-19 vaccine and flu shot.
